10/13/2015 - 14:06

The site dedicated to the **Global Junior Challenge / Smart & Heart Cities** [1] multi-event, which will be held in Rome on October 27-30, now lists all the candidates [2] who have been shortlisted for the Innovating Teacher Award.

Here is the **short list of candidates** [2].

Teachers and headmasters were asked to send a brief video explaining what innovation means in their school.
