ICT for integration of migrants and refugees

## Project Description

**Description Frase (max. 500 characters):**

Linkaid.org delivering information about the projects carry on by the best NO PROFIT realities in the European scenario, aims to shed light in a world that too often is perceived with confusion and distrust. Our goal is to develop a valid, serious and influential tool to raise awareness on the best of European NO PROFIT to rely if you are looking for answer on: International cooperation; Medical research; Health care; Sustainable Development; Climate Change; First Aid; Human Rights; International adoption; Etc.

Linkaid.org is a continuously evolving project intended to clear out the NO PROFIT sector

showing its bright and positive side highlighting the bests realities working on it.

**Project Summary (max. 2000 characters):**

LinkAid.org, as well as being an innovative, unique and authoritative tool (web based platform) for potential donors (public or private), is of particular interest to anyone want to know what are the best NO PROFIT Organizations (initially, with HQ in one of the EU countries): Working in a particulary context (national and/or international); What type of activity they are proposing and/or implementing and with what the purpose; etc. To support of this, Linkaid.org also plans to deliver figures and graphs to highlight the strengths of humanitarian aid and the part value of the NO PROFIT sector. Linkaid.org is also designed to help private citizens to know small local realities very involved in social activities, which they can rely on: personal or family members needs; job search; Volunteering purposes; etc.

# How long has your project been running?

# Objectives and Innovative Aspects

Linkaid.org is the first aggregation and communication web based platform of the NO PROFIT world's excellences. Our purpose is to develop a valid, serious and influential tool to raise awareness on the best of European NO PROFIT.  Linkaid.org intends to map the best NO PROFIT organizations (Initially those with headquarters in Europe), to give voice to their best projects and bring users closer to their world. An expert team takes care of the choice of the bests Organization's projects that will be offered to the users through the web based platform: www.linkaid.org [1], with tags and 3 simple search filters.
