06/12/2015 - 14:51

Developing Innovations is an online platforms which presents and monitors relatively small-scale development projects, to build communities of supporters for these projects. "Developing Innovations" was brought forth with the aims of exploring the potential of an online platform for bigger development projects.

an online platform where bigger development projects are monitored in a transparent way, where all participants in a project can form an online community around that project, and where learning between projects is facilitated.

To participate in the new edition of the GLOBAL JUNIOR CHALLENGE , 27 to 30 October 2015, Rome , fill out the form under the heading of the site : " Regulation"
