In 2012 the association " Art miles project " of Narni, Italy, presented a project that reached the final of the Global Junior Challenge: The idea was to promote peace projects between young people around the world and work together on projects , starting from simple drawings done in small groups and shared with others, using the internet and new technologies. The project has been organized with the cooperative exchange programmed through internet and between various nations: America , Japan , Italy , Canada . For Italy was chosen Narni as the center of collection of murals inherent fairy tales , referred to the widespread use of fairy tales of Narnia and the work done so far to tie the fantasy world of Narnia to the city of Narni . The project is developed as a tool anyway worldwide intercultural.
