The **Maybe a Morning** ^[1] Literary Award, organised by Prof. **Andrea Giuseppe Graziano** and the IPSSEOA School in Palombara Sabina, is a candidate project for the 8th edition of the **Global Junior Challenge** ^[2].

The award was conceived to promote various genres of creative writing: from stories to song lyrics. Students use computers, interactive lessons, creative writing tools and apply poetic and narrative ideas and models. The contest drives the spirit of collaboration, making students protagonists and inspiring them to do their best.

The project is developed on the [award website](#) ^[3]. Participants download the participation form, send their works by e-mail, communicate with the President and learn about the final results on-line, as well as sharing experiences, photos, and videos.
